

CAPABILITY STATEMENT

TRJ TRANSPORTATION, INC is an Atlanta, Georgia based trucking company whose mission is to “***Rise To The Occasion As We Transport Freight From State To State***” and become one of the largest trucking companies servicing the United States. The company’s home office is located in Douglasville, GA 30134.

Teresa Watson, a **Woman Owned Small Business Owner**, has been around trucks all of her life, and has performed administrative tasks in the field from a very early age. Her vision to start her own trucking company began after the untimely death of her father, Olin Watson. Mr. Watson had been a truck driver for over 30 years, and always wanted to own his own trucking company but did not do so. Since his death, God has placed the same spirit into Teresa and the new vision of TRJ Transport, Inc.

Teresa is committed to making “quality” the acme of every service provided at TRJ, whether the job is driving trucks, rating freight bills, or working with individual customers, quality will be the focus of every activity. Nothing short of 100 percent dedication to quality will be acceptable, for it will be the norm by which everything is measured and evaluated. This quality will be especially emphasized in the area of customer service. In this competitive age, service is the key to success in the trucking industry. Therefore quality service will be inherent in everything done at TRJ. TRJ will go the extra mile to make it easy for customers to do business with them. Customer service will be performed efficiently for the purpose of imparting confidence and demonstrating TRJ’s willingness to please. TRJ will make synonymous both outstanding quality and excellent customer service, by ensuring timely deliveries, hiring the best drivers, operating in honesty and integrity, and acquiring the best equipment for the job. The mission for TRJ Transportation, Inc. is to be the leading Minority and Woman owned trucking company servicing both the United States and Internationally. TRJ will also provide superior service at rates that benefit its customers, while allowing ample benefits to all its employees
